

# NEW YEAR **NEW VOICE**

**WHAT WILL YOU SAY? |**

## **SPEECHCRAFT**

Hosted by Castle Hill Toastmasters

Speechcraft is a short, intensive course that will guide you in public speaking and responding "off the cuff".

We all have a voice. We all have stories to tell but sometimes we need a bit of encouragement, or some new skills, to let our voice be heard.

Speechcraft is the place to learn about, and practice, public speaking in a friendly and supportive environment.

In each session, you will be taught new communications skills. You will also deliver a short, prepared speech and learn how to provide others encouraging and constructive feedback.
